Why California Cartage?

California Cartage has been in business since 1944 and we are here to stay! In fact, we operate the largest cross-dock transload network on the West Coast, along with the largest fleet of specialized equipment in the country.

We own and operate six drayage firms and three warehouse company brands. Nationwide we have a drayage fleet of 1,500 tractor units and 4.5 million sq. ft. of warehouse space – so we can handle all of your import/export warehousing, trucking, transloading, deconsolidation and distribution needs.
