

Hands-on Warehousing and Drayage Services

Old fashioned service is how we measure success.

LOCATED IN THE DOWNTOWN INDUSTRIAL AREA OF LOS ANGELES, WE'VE BEEN THE VERY DEFINITION OF SERVICE FOR DECADES, HANDLING DOMESTIC AND INTERNATIONAL CARGO AROUND THE CLOCK WITH SPEED, PRECISION AND AFFORDABILITY.

The supply chain is far from predictable. At F&S, we welcome the ever changing nature of the industry.

Let us show you what it's like to work with a partner who gives your operation red-hot priority that never cools down.

SERVICE

Although we focus our warehousing and drayage services in Southern California, we still go to the ends of the earth for our customers every day, in every way.

- Our consolidation trucking services support both import and domestic operations at all facilities.
- Our alcoholic beverage control license ensures watchful storage at our warehouse.
- Our drayage services from the ports of Los Angeles and Long Beach, deliver merchandise right to your door.
- Our warehouse operations are designed toward one goal—a supply chain that gets your product to market fast.
- Our ability to recruit power from other companies within the California Cartage family allows us to respond instantly to industry and client changes.
- Our secure and spacious yard provides ample container storage, especially during peak periods.

STRENGTHS

It means having access to warehouses where you'll enjoy the benefits of flexibility and stability under the same roof. Located for optimum efficiency, they are clean, organized and secure.

F&S prides itself on "personal touch warehousing." The high level of customer service we maintain isn't just friendly – it's designed to deliver powerful payouts. Simply put, it means we're in the business of storage and distribution that adapts to you. So if you need large shipments to leave our facility every Tuesday at 4 am sharp, or smaller parcels to go out every morning like clockwork, consider it done.

**we're in the business of
STORAGE AND DISTRIBUTION THAT ADAPT TO YOU**

ACCOUNTABILITY

Trust you've joined forces with a company who's been on the road for decades, and will be for decades to come.

- We are proud of our pristine safety record, available for you to review upon request.
- Our insurance coverage exceeds government standards.
- We are C-TPAT compliant and customs bonded.
- Both the DOT and the California Highway Patrol give us their highest rating.

VISION

It means higher efficiency – because the F&S communications network is constantly and cohesively connected. Cargo and equipment availabilities are addressed minute by minute, in real-time, with solid lines of communication stretching from the ports to the warehouses to truck cabs. F&S drivers use Nextel's Direct Connect, as our dispatchers juggle priorities masterfully, helping you avoid delays, wasted time or changes that can erode your profits.

PARTNERSHIP

It means strength born of synergy – because joining forces with F&S puts a team of professionals on your side, striving relentlessly to get you where you need to be. If you're looking for smart, responsible, stop-at-nothing service, let us show you all the ways we deliver the goods.
